Ooh  
Ooh  
Ooh  
Ooh

In the day you have someone that can be true  
And all have fun

In the dark you're never gone  
In the dark you're never gone  
In the dark you're never gone  
And it's GOOD  
And it's GOOD

You see the chords (?) that now engage  
With your face on every page

In the dark you're never done  
In the dark you're never gone  
In the dark you're light for us  
And it's GOOD  
And it's GOOD  
And it's GOOD

Ooh  
Ooh  
Ooh  
Ooh

Back and fourth you're rolling to another evening

What is it you're bringing?  
In the time you're winging

And all the love is gone  
And all the love is gone  
And it's GOOD  
And it's GOOD  
And it's GOOD

Ooh  
Ooh

Oooh

You know, I am aware..  
You know, I'm aware  
You should know I'm aware  
nnmm

You know that I'm aware  
[grunt]

You know, I am aware..  
You know, I'm aware  
You should know I'm aware  
nnmm

You know that I'm aware
