And magical, magical, magical weather, sunlight  
bathes our home  
Shirley I'm up and up forever, sunlight bathes our  
home  
Keeping our life and limbs together, sunlight bathes  
our home  
And back and forth the colors go where it stops no one  
knows

Ahh sing a sing this together  
Sing a sing this at home  
Laughter, laughter's untethered  
Laughter, laughter at home  
And merriment has made our split halves whole

Watch it all, watch it all, watch it beginning  
Sunlight bathes our home  
None of us here could keep from grinning  
Sunlight bathes our home  
Back and forth the colors go where it stops no one  
knows

Ahh sing a sing this together  
Sing a sing this at home  
Laughter, laughter's untethered  
Laughter, laughter at home  
Laughter, laughter at home  
And merriment has made our split halves whole

And would you be, would you be, would you be  
governed?  
Sunlight bathes our home  
Just keeping our lives and limbs uncovered  
Sunlight bathes our home yea  
And back and forth the colors go where it stops no one  
knows

Sing a sing this together  
Sing a sing this at home  
Laughter, laughter's untethered  
Laughter, laughter at home  
Laughter, laughter at home

And merriment has made our split halves whole

Sunlight binds our home together  
Sunlight binds our home together  
Sunlight binds our home, my heart
