As you climb up the stairs
And come back forever
Summer's in the house
Untamed it was

Walking with thee
Walking with thee
Walking with thee
Walking with thee

A million joys
A million joys here
You could set your watch
How untamed it was

Walking with thee
Walking with thee
Walking with thee
Walking with thee
No, no, no, no, no
No, no, no, no, no, no

As you climb up the stairs
And come back forever
Summer's in the house
Oh, untamed it was

Walking with thee
Walking with thee
Walking with thee
Walking with thee

And melody of joys
And you can set your watch
While hunting new words

Walking with thee
Walking with thee
Walking with thee
Walking with thee

And with us, oh no

You get good affection
You can set your watch
Or hunting new words

Walking with thee
Walking with thee
Walking with thee
Walking with thee

No, no, no, no, no
No, no, no, no, no

If you climb off the stairs
And come back forever
Someone's in my house or
Hunting new words

Walking with thee
Walking with thee
Walking with thee
Walking with thee
