What do you say when it's over?  
I don't know if I should say anything at all  
One day we're rollin' in the clover  
Next thing, you know, we take the fall

Still, I think about the years since I first met you  
And the way it might have been without you here  
I don't know if words from me can still upset you  
But I've just gotta make this memory stand clear

I know I'm leavin' here a better man  
For knowin' you this way  
Things I couldn't do before now I think I can  
And I'm leavin' here a better man

I guess, I always knew I couldn't hold you  
But I'd never be the one to set you free  
Just like some old nursery rhyme your Mama told you  
You still believe in some old, 'Meant to be'

Still, I'm leavin' here a better man  
For knowin' you this way  
Things I couldn't do before now I think I can  
And I'm leavin' here a better man

Yes, I'm leavin' here a better man  
For knowin' you this way  
Things I couldn't do before now I know I can  
And I'm leavin' here a better man  
(Ooo ooo ooo)  
Yes, I'm leavin' here a better man
