(Clint Black)

Lord it's the same old thing  
Fiddle and guitar  
Where do we take it from here ?  
Rhinestone suits, new shiny cars,  
It's been the same way for years.  
It's bound to change.

Somebody told me when I came to Nashville,  
"Son, you finally got it made"  
Ole Waylon made it here, and we're all sure that you  
will  
But I don't think Waylon done it this way,  
No, I don't think Waylon done it this way.

Ten years on the road making one-night stands  
Speeding my young life away.  
Tell me one more time just so's I'll understand  
Are you sure Waylon done it this way ?  
Did ole Waylon really do it this way ?

I've seen the world with an eight piece band  
Looking at the back side of me  
Singing my songs one of his now and then  
But I don't think Waylon done 'em this way,  
No, I don't think Waylon done 'em this way.  
(Waylon Jennings)

Woke up this morning it was drizzlin' rain  
Around the curve come a long, black train

Heard somebody yodel and a hobo moan  
Jimmy he's dead, he's been a long time gone.  
Yeah  
(Woop,Woop, Woop)
