Sometimes late at night I lie awake and watch her
sleeping
She's lost in peaceful dreams so I turn out the lights
and lay there in the dark
And a thought crosses my mind, if I never wake up in
the morning
Would she ever doubt the way I feel about her in my
heart

If tomorrow never comes will she know how much I
loved her
Did I try in every way to show her every day that she's
my only one
And if my time on earth were through and she must
face this world without me
Is the love I gave her in the past gonna be enough to
last if tomorrow never comes

Cos I've lost loved ones in my life who never knew
how much I loved them
Now I live with the regret that my true feelings for them
never were revealed
So I made a promise to myself to say each day how
much she means to me
And avoid that circumstance where there's no second
chance to tell her how I feel

Cos if tomorrow never comes will she know how much I
loved her
Did I try in every way to show her every day that she's
my only one
And if my time on earth were through and she must
face this world without me
Is the love I gave her in the past gonna be enough to
last if tomorrow never comes

So tell that someone that you love
Just what you're thinking of
If tomorrow never comes
