Blue Kentucky highway  
Headin' for the line  
She hadn't said a word all night  
But the wheels are turnin' in her mind

Now I was ridin' shotgun  
And I knew things had gone awry  
Just as soon as she dropped me off  
At the side of the road and she let that gravel fly

Now I'm walkin' in the moonlight  
Seein' nothin' but the taillights  
And that's a pair of taillights  
I may never see again

She hit me with the left and right  
Showin' me nothin' but the taillights  
That's about as lonely as a highway's ever been  
Back here with my thumb out in the wind

Was it somethin' that I did to her  
Or the things I never said?  
I wonder if the way we were  
Was only in my head?

Now if I even make it back to town  
Before the sun comes up  
I'm gonna hit every parking spot around  
Till I find that pick-up truck

Now I'm talkin' in the moonlight  
Seein' nothin' but the taillights  
And that's a pair of taillights  
I may never see again

She hit me with the left and right  
Showin' me nothin' but the taillights  
That's about as lonely as a highway's ever been  
Back here with my thumb out in the wind

Well I'll bet right now she's laughin'  
At how she brought me to my knees

But she won't be laughin' half as loud  
When she gives me back my keys

She'll be walkin' in the moonlight  
Seein' nothin' but the taillights  
That's a pair of taillights  
She won't ever see again

She hit me with a left and right  
And with nothin' but the taillights  
And I know that's about as lonely as a highway's ever  
been  
Back here with my thumb out in the wind

There she goes  
Here I come  
Meet me out here in the middle of nowhere  
[Incomprehensible]
