Verse One:

Only a woman,  
Can make me wanna be the man,  
The one that she believes I am,  
The one who had to fall,  
Only a woman,  
Would make me wanna find the words,  
The ones that are so seldom heard,  
The ones that say it all,

Chorus:

Only a woman,  
Would make me do the things I do,  
A woman,  
The only thing I know that's true,  
Only a woman,  
A woman like you,

Verse two:

Only a woman,  
Would make me love a rainy day,  
Stay in the bed and pull the shades,  
And get lost for a while,  
Only a woman,  
Would make me turn my world around,  
Take everything that's upside down,  
And change it with a smile,

Repeat Chorus:

Instrumental Break-----

Only a woman,  
A woman like you,  
Would make me do the things I do,  
A woman,  
The only thing I know that's true  
Only a woman,  
Only a woman,  
A woman like you.
