Long ago with a younger partner  
Always in love but a love for sure  
Their hearts were lost out in the shuffle  
Of a hook and wing on a sawdust floor

Now they hold their own out on the liners  
They're always prime for something slow  
And you won't find them changin' partners  
Love will keep in step keepin' up with a country set  
It's our kind of love I'll bet they're together everywhere  
they go

Now they're on in years and they don't need a reason  
All the lights are on for the same old thing  
When they call "Let's dance", their song will still be  
playin'  
Till the end of time their love'll be in full swing

And they hold their own out on the liners  
They're always prime for something slow  
And you won't find them changin' partners  
Love will keep in step keepin' up with a country set  
It's our kind of love I'll b
