If I could take a ride on Rudolph,  
We'd trim the treetops  
Knockin' a boot off  
I'd get a rise out of Rudolph  
Hoofin' it everywhere.

If I could make  
A Frosty the Snowman,  
He'd be the jolly  
Get up and go-man  
I'd make a 40 below-man  
We'd be the coolest pair.

Chorus:  
Hey, We'd stick together,  
All kinds of weather  
We're sure to have a ball  
I can imagine all that can happen  
If a little bit of snow would fall

If I could be the man  
Down the chimney,  
Bag full of magic  
I've got it in me  
I can get Santa to send me,  
I've got the time to spare

--- Instrumental ---

Chorus:  
Hey, We'd stick together,  
All kinds of weather  
We're sure to have a ball  
I can imagine  
All that can happen  
If a little bit of snow would fall.

But the word is around  
There's some other town  
That let Christmas go to the Grinch  
Well, maybe in Whoville

Not me and You-ville,  
We'd never give 'em an inch.

If I could make  
A Frosty the Snowman  
He'd be the jolly  
Still on a roll-man  
I'm make a 40-below man,  
We'd be the coolest pair  
Hoofin' it everywhere,

Hey, I've got time to spare...
