These times are troubled and these times are good
And they're always gonna be
They rise and they fall
We take 'em all the way that we should
Together you and me
Forsaking them all
Deep in the night and by the light of day
It always looks the same
True love always does
And here by your side, or a million miles away
Nothin's ever gonna change the way that I feel
The way it is
Is the way that it was

When I said I do
I meant that I will
'til the end of all time
Be faithful and true
Devoted to you
That's what I had in mind
When I said I do

Well this old world keeps changin', and the world stays
the same
For all who came before
And it goes hand and hand

Only you and I can undo all that we became
That makes us so much more
Than a woman and a man
And after everything that comes and goes around
Has only passed us by
Here alone in our dreams
I know there's a lonely heart
In every lost and found
But forever you and I will be the ones
Who found out what forever means

When I said I do
I meant that I will
'til the end of all time
Be faithful and true

Devoted to you
That's what I had in mind
When I said I do
Truer than true
You know that I'll always be there
For you..
That's what I had in mind...
That's what I had in mind...
When I said
I do
