Clint Black/Michael McDonald (BMI/ASCAP)

Almost a lifetime of
going nowhere
through all of the motions
it took to be me
No one to love me but I
didn't care
Had walls all around me and
I thought I was free

CHORUS:

'Til (And) you made me
see you're some kind
of light
Can't help but see such a
beautiful sight
you opened my eyes and
before I could blink
You had all of my vies
and I'm startin' to think
That you made me feel
that's all there is to it
You made me feel like
you knew I could do it

Put a heart where there's
nothing' and you made
me real
and that's just how you
made me feel

I must have been lonely
though I couldn't
have known
Love was the only thing I
was not looking for
Wandering aimless in a
world of my own
Pleasure and painless 'til
you opened the door

CHORUS

Just how you made me feel.
