"In The Arms Of Love"

Save me from loneliness
Rescue me with your love
I'll be safe just as long as you keep me
Wrapped tightly in the arms of love

The arms of love are all I need around me
But I don't know what I'd do if you should go

So please give me what I dream of
The kind of dream sent from above
I'll be satisfied as long as you keep me
Wrapped tightly in the arms of love

The arms of love are all I need around me
But I don't know what I'd do if you should go

Keep me in tightness
Give me all your love
I won't cry a single tear if you'd keep me
Wrapped tightly in the arms of love
In the arms of love
