I'm a champion, shorty, I'm a champion
I've been around the map now I'm on my victory lap,
hey, hey
See I'm a champion, shorty, I'm a champion
While other *** crashing 'em, hey, I'm just steady
mashin' 'em

Tell 'em what you told me

They see I'm shining dog, you see these diamonds dog
They say I'm shining so hard I like to blind 'em dog
You got a problem dog, well, you can bring it on
I got at least a hundred shots and you can get 'em all

Hey, I did it, I really did it
I'm like a poster child for *** that just get it, get it
I'm supposed to smile for my *** who ain't here to live
it
I'm putting money on they books so they can ball in
prison

And feel the spirit of a boss, duel pipe exhaust
All we know is the floss
I'm cocaine castling throwing bombs to moss
My *** keeps the newest and the latest
A street nigga, she know I'm the greatest, hey, hey

Hold up that Rosea, pourin' half the bottle out
If you from where I'm from, you know where I'm flowin'
out
Overcame the odds, so we overdue them cars
We done balled around the world, now we reaching for
the stars
Hey, hey

I'm a champion, shorty I'm a champion
I've been around the map now I'm on my victory lap,
hey, hey
See I'm a champion, shorty I'm a champion
While other *** crashing 'em, hey I'm just steady

If only I would have gotten what I had deserved
Lord knows I would have been done left this earth
Or either in somebody's jail rotten that's my word
If not yourselves then you need to have them kids in
church

Mistook my work for selling crack
You should have gotten more out of that than that
My grandma would say you, boy you backwards as a
hat
Whether in a trap, NFL draft pick or rap
Virginia is for hustlers, hustlers get it back

I thought that life was a bad *** bad car
Life is with your kids watching 'Madagascar'
In the headrest of the H3 with crash bar
Rockin' playclothes, everyday's a catwalk

I'm a champion, shorty, I'm a champion

I've been around the map now I'm on my victory lap,
hey, hey
See I'm a champion, shorty, I'm a champion

Been there, done that, fell off, got back
Real *** ***, only champions can talk that
Earn my respect, *** hating 'cause they want that
Been to hell and back, only champions can walk that

Talk that put yo money where yo mouth is
T off on the green, golf courses where the house is
A long way from pumping out housing projects
Investing in real estate weighing out my prospects

I'm a champion, shorty, I'm a champion
I've been around the map now I'm on my victory lap,
hey, hey
See I'm a champion, shorty, I'm a champion
While other *** crashing 'em, hey, I'm just steady
mashin' 'em
