[Intro - Pusha T]

Uh, NBA, It don't get no better than this, uh  
Pusha, one half of the Clipse  
We ain't playing no games

[Verse 1 - Pusha T]

Kings of the court, hold down fort  
Worlds collide, when we crash the boards  
In the playgorund, they call the Street Lords  
In the pros, we live for the crowd roar  
And what else can you steal - bang - slash  
Run, but all in fun  
That's what makes this number one  
NBA comin in, second to none, uh  
...{\*Beat Plays\*}..  
...Highlight reels  
Givin you the chills  
Super hero status, what a baller feels, uh  
Fast break, right/left fake  
Charge to the rim, like runaway freight  
No time to waist, don't hesitate  
Tear the rim down, make the whole house shake

[Chorus - Clipse]

When they cut the heat up, and the pressure's mountin  
It's game time playa  
When you go in OT, wit the shot clock countin  
It's game time playa  
When the double team "D", got you surrounded  
It's game time playa  
When it come off the glass, better rebound kid  
It's game time playa

[Verse 2 - Malice]

Clear the lane, he's high oc-tane  
All gased up, that dude got game  
Three point land, that dude got range  
Swish, beat the buzzer that dude got aim  
Ain't about the fame, but the love for the sport  
Blood sweat and tears, seen thier hunger on the court  
Ain't nothin stoppin the "D", like ain't nothin stoppin me

From droppin three from top of the key  
Ankle breaker, crossover faker  
Down low in the paint, better get ya weight up  
Welcome to the lime light, Sports Center highlight  
Livin the high life, round ball is my life  
The fans grew silent, and the crowd is in shock  
From the 360 windmill, hear a pin drop  
Slow motion seem like, all the glass drop  
Today in the life, come on, pass the rock, uh

[Chorus x2]
