Yeah, I'm telling you boy  
Ya wasting your time on them  
The Good Stuff is right here

I seen ya when ya walked in  
stealin all the light  
You're the type of guy that makes them  
fly girls fuss and fight  
They can't you love more  
Not the way you're wishing for  
They go about it all wrong  
Experts get it right

Refr.:  
Tellin you now boy  
Put your eyes on me  
And if you call now boy  
I'll throw my heart in free  
I can love you  
in one million ways  
And if you don't like it  
Send it back in 30 days

I know you're sick of them knowin who you are  
All they wanna do is ride around in your fancy car  
Give me this, Give me that  
Yeah, I know it's so wrack  
All they wanna do is been seen with a superstar

Refr.:

This is the Good Stuff  
You don't know this is it  
Good Stuff  
This is the Good Stuff

Now that you've seen you really wanted me  
And those girls wasting their time  
Thinkin they could possibly(yeah,right)  
You want this, You don't want that  
Here girls we don't want it back  
And if you want the next one

You should repeat after me

Refr.:
