[Pharrell chorus]

Yeah, mami you miss me don't you?
Haters wish you could hit me don't you?
Heh, you should call me Uncle
I understand I'm back by popular demannnd
That new CL fly
Outside of Popeyes eating chicken and fries
Yeah come holla at ya uncle
I understand I'm back by popular demand

[Pusha-T (Pharrell)verse 1]

You are now listening to the all-time phenomenal
Used to bag work in V.A. at the Econo Lo'
Now I'm laying out at the Delano though
But don't get it twis-ted the Uzi's in the lining though
Hollow tip dum-dums eat flesh like pirahnas though
Such a scary thing to hear the soul sing Geronimo
Pull up in the CL the shit's astronomical
Hoes lining up on the curb they fall like dominos
Used to have this white bitch she looked like Madonna
though
Heard that she fucking LeBron, but shit I don't know
Like that Bron-Bron? I had that long time ago
Butt naked on the balcony at the Dolla-no
I mean the Delano I mean Pharrell'll know
The hair shop bitch from D.C. hey P let 'em know!
(Yeah that bitch was hot..)
Yeah yeah but it was time to go
Them hoes come in eenie, meenie, miny-moe!

[Chorus]

Yeah, mami you miss me don't you?
Haters wish you could hit me don't you?
Heh, you should call me Uncle
I understand I'm back by popular demannnd
That new CL fly
Outside of Popeyes eating chicken and fries
Yeah come holla at ya uncle
I understand I'm back by popular demannnd

[Cam'Ron verse 2]

DAMMMNNN! Mami good down? to the cuticles

I'm CAMMMM -- What's your name Beautiful?
Like MANNNN I could get used to you
Or the RAMMM, if you knew what I used to do
But call me Uncle yeah Uncle Cam
I tax 'em (Like who?) like Uncle Sam
From the jungle fam' where niggas bundle gram
From below you tumble get merked on the humble
ANNNDD the gat on the belt on the hip
ANNNDD I keep a Pharrell with the Clipse
Drive a hard bargain (bargain), I'm Harlem's only
Gagarin
Car foreign, the other man stood-stood stutter-fied
I know ya moms well -- tell ya mother hi.
I'm the other guy that got ya mother high
Coke like a ca-ter-pillar I make butter-flyyyyy

[Chorus]

Yeah, mami you miss me don't you?
Haters wish you could hit me don't you?
Heh, You should call me Uncle
I understand I'm back by popular demannnd
That new CL fly
Outside of Popeyes eating chicken and fries
Yeah come holla at ya uncle
I understand I'm back by popular demannnd

[Malice verse 3]

Goddamn the boy's back
For pushing a mountain of snowcaps to avoiding the
kojak
The pioneer of the coke rap
I'm dancing with the stars stepping on blow doing the
toe-tap
The dope return like I had it on Lo-Jack
It made its way home like a road map I fathered this
If I mislead any kid that's fatherless
That burden's on my soul as long I exist
Generation lost they saying they can't reach us
The answer is the Lord like Saturday Night Fever
I kept it in the crib it made me a light sleeper
Whether watching for the Feds or avoiding the Grim
Reaper.
We're deeper than rap money and hoes, it's deeper
than that
Fight the temptation but it keep coming back
Money stacked to the ceiling just as quick as it
dispense
Who knew them commas meant you could lose your
common sense?
Before it's too late all I can tell 'em is repent unh!

[Chorus]
