Son, look at all the people  
In this restaurant  
What do you think they weigh?  
And out the window  
To the parking lot  
At their SUVs taking all of this space

They give no fuck  
They talk as loud as they want  
They give no fuck  
Just as long as there's enough  
For them

Gonna get on the microphone  
Down at Wal-Mart  
Talk about some shit  
That's been on my mind  
Talk about the state  
Of this great nation of ours  
People look to your left  
Yeah and look to your right

They give no fuck  
They buy as much as they would want  
They give no fuck  
Just as long as there's enough  
For them

Son, look at the people  
Lining up for plastic  
Wouldn't you like to see 'em  
In the National Geographic  
Squatting bare-assed in the dirt  
Eating rice from a bowl  
With a towel on their head and  
Maybe a bone in their nose

See that asshole  
With a peace sign on his license plate  
Giving me the finger and  
Running me out of his lane  
God made us number one

'Cause he loves us the best  
But he should go bless  
Someone else for a while  
And give us a rest

(They give no)  
Yeah and everyone can see  
(They give no)  
We've eaten all that we can eat
