(Ho, ho, ho...Play it Grandpa...Yeah, play it...Let's tell them a little story about what happened this Christmas.... Yeah, tell them... tell 'em 'bout Christmas)

Christmas Eve, I didn't get much sleep  
I kept hearing things, heavy breathing from the chimney  
Who could it be?

(I'll tell you what it was... What happened then, Ben?... Yeah, what happened?... Well, I went back to sleep... You went back to sleep? Back to sleep? Shit... Tired man, went back to sleep)

And in the morning, I couldn't believe my eyes  
A whale of a corpe with a long white beard  
Was dangling over the fire

oh, Santa he's a big fat fuck  
Went down the chimney got his fat ass stuck  
Oh, honey, call the lawyers fast  
'Cause Mrs. Clause is gonna sue my ass  
hey, hey, hey

(Ok grandpa, step up, sing in this thing right here, tell 'em what you saw,  
tell 'em what you saw grandpa)

I gotta tell you folks,  
He wasn't wearin no clothes  
He musta rubbed a whole gallon of Crisco oil  
from his back down to his toes  
While I was talking to the cops outside  
The dog was lickin Crisco off of his thighs  
They hauled him away in a double-wide  
What a sad, sad way to die  
Hey, hey, hey

Santa, he's a big, fat fuck

went down the chimney, got his fat ass  
oh, honey call the lawyers fast,  
Mrs. Claus is gonna sue our ass
