I said what you wanted to hear  
And what I wanted to say  
So I will take it back  
Are all the dishes intact?  
Let them be broken, broken

### CHORUS

It's easy to be  
Easy and free  
When it doesn't mean anything  
You remain selfless, cold and  
Composed

You've done me no favor  
To call and be nice  
Telling me I  
Can take anything I like  
You don't owe me to be so  
Polite  
You've done no wrong  
You've done no wrong  
Get out of my sight

### CHORUS

Come on baby now throw me  
A right to the chin  
Don't just stare like  
You never cared  
I know you did  
But you just smile  
Like a bank teller  
Blankly telling me  
Have a nice life  
Come on baby now  
Throw me a right  
To the chin  
Just one sign that could  
Show me that you give a  
Shit  
But you just smile politely  
And I grow weaker and I

Said what you wanted to hear  
And what I wanted to say  
So I will take it back

CHORUS
