Chicka uh chicka uh. . .
For the benefit of Tom and Mary
Before our guests arrive
If they haven't found out already
It's gonna blow their minds
Will they find the strength
To find the will to testify
That for the benefit of Tom and Mary
There's something we can't hide anymore?

Everybody here knows the story
Some with fabricated extra parts
See the sisters shout in whispers
Feeding hot air to the sparks
Put a damper on the party
It will lighten up this room
But for the benefit of Tom and Mary
We've got to see the truth today

Ms. Suthernson says "here they come"
And all the chatter and the smiles
They come undone
You could hear a pin drop on the carpet floor
Everyone's pretending not to hear them
Knocking at the door

For the benefit of Tom and Mary
Before our guests arrive
If they haven't found out already
It's gonna blow their minds
Haven't found out already
And yet the seams all seem to show
That for the benefit of Tom and Mary
For the benefit of Tom and Mary
For the benefit of Tom and Mary
We gotta let the truth be known, yeah
