I heard you on my wireless back in fifty two
Lying awake intently tuning in on you
If I were young it didn't stop you coming through

Oh-a oh

They took the credit for your second symphony
Rewritten by machine all new technology,
And now I understand the problems you can see

Oh-a oh

I met your children
Oh-a oh

What did you tell them?
Video killed the radio star
Video killed the radio star

Pictures came and broke your heart
Oh-a-a-a oh

And now we meet in an abandoned studio
We hear the playback and it seems so long ago
And you remember the jingles used to go
Oh-a oh
You were the first one
Oh-a oh
Maybe the last one

Video killed the radio star
Video killed the radio star
In my mind and in my car, we can't rewind we've gone
to far
Oh-a-aho oh
Oh-a-aho oh

Video killed the radio star
Video killed the radio star

In my mind and in my car, we can't rewind we've gone
to far

Pictures came and broke your heart, put all the blame
on vtr

You are the radio star
You are the radio star

Video killed the radio star
Video killed the radio star
Video killed the radio star
Video killed the radio star

You are the radio star
Video killed the radio star
Video killed the radio star

You are the radio star
Video killed the radio star
Video killed the radio star
