I Knew It  
When I Saw You Baby  
I Knew It

Destinee:  
Blacker Than A Rose  
Gentle As A Kick  
Nothing Where You Go  
I'm Everything You Never Gonna Need  
But If You Need To Know  
Its Bitter And Its Sweet  
I Did't Mean To Hurt You  
Or Disappoint You  
Can't Tell If I Tried To Warn You  
But Your Not Giving In Are You

Chorus:  
Gotta Take A Plane Without You  
You're Never Gonna Fly Just Stay On The Ground  
What I Gotta Say To Make You  
Look The Other Way Cause I'm Leaving Town  
Never Gonna Fly  
Never Gonna Fly  
Never Gonna Fly  
Goodbye

Paris:  
I Think Your Really Hot  
And If I Had The Time  
I'd Give You A Shot  
But I Just Have To Tell You From The Start  
What's Together Now  
Is Already Apart  
I Never Will Desert You  
If I Was With You  
Right Would I Never Want You  
I Wish That I Never Met You

Chorus:  
Gotta Take A Plane Without You  
You're Never Gonna Fly Just Stay On The Ground

What I Gotta Say To Make You  
Look The Other Way Cause I'm Leaving Town

I Knew  
I Knew x5  
I Knew It

When I Saw You Baby  
I Knew It

Airel:  
Push Me Out The Door  
Put Me In A Car  
Get Me On A Plan  
My Feet Are Dragging Never Felt Like This  
Wondering Where You Are  
I Won't Ever Forget You

Chorus:  
Gotta Take A Plane Without You  
You're Never Gonna Fly Just Stay On The Ground  
What I Gotta Say To Make You  
Look The Other Way Cause I'm Leaving Town  
I Knew It  
When I Saw You Baby  
I Knew It  
I Knew It  
Never Gonna Fly  
Never Gonna Fly  
Never Gonna Fly  
Goodbye
