What kind of idiot would give up something serious?
I wouldn't if I had the chance.
What kind of stupid fool would try and play it super cool?
I wouldn't if I had the chance!
Must be so fun your always treating him wrong
Playing like its some kind of game
What kind of crazy looser is so confused
that they would let the perfect one get away?

I'm so confused cause she calls him useless.
what did I miss?

Refrain:

Who wouldn't wanna be in love
Who wouldn't wanna be in love with him
(cause he's got everything I like)
Yeah
(He's such a hottie. Yeah, he's tight)
Who wouldn't wanna be in love?
Who wouldn't wanna
who wouldn't wanna be with him?
He's so good. He's so good!
Yeah
He's so good. He's so good!

When they go out together
I wish it was us instead of
her. He's out there wasting his time.
(He's wasting his time)
I know he's sick of it but
look at how he deals with it
Thats how I know he's one of a kind!
Must be so fun your always treating him wrong
Playing like it's some kind of game.
What kind of crazy looser is so confused
that they would let the perfect one get away?

I'm not too sure but I think she's useless.

She's gonna miss...

Refrain:

Who wouldn't wanna be in love
Who wouldn't wanna be in love with him?
(cause he's got everything I like)
Yeah
(He's such a hottie. Yeah, he's tight)
Who wouldn't wanna be in love?
Who wouldn't wanna
who wouldn't wanna be with him?
He's so good. He's so good
Yeah
He's so good. He's so good!

(Just look at him)
Just look at the way he dresses
The way he wears his hair
I know shes my girl but she would be a fool.
She don't know that he's the greatest.
I think I really love him. I do.

Refrain:

Who wouldn't wanna be in love
(Who wouldn't wanna?)
Who wouldn't wanna be in love with him?
(Cause he's got everything I like)
Be in love! Yeah!
(He's such a hottie. Yeah, he's tight)
Who wouldn't wanna be in love?
(OOOOHHHHH YEAHHH!)
Who wouldn't wanna
Who wouldn't wanna be with him?
(Oh! Who wouldn't wanna be with him?)
Who wouldn't wanna be with him?
(Who would Who would)
Yeah
He's so good! Hes so good!
(Oh whoooooooo Yeah!)
Who wouldn't wanna be with him?
Be in love with him?
