I've been listening for them
When will they come around

I see darkness everyday
But with some help from above

Angels, can you stop the rain from fallin
I know that your watching
Watching over me
And angels I- I believe

There been things I can't explain
Like how my prayers get answered almost instantly
What about all those signs?
I've been following them
They lead my throught my lies
They've got me so alive

(Chours)

Angels, can you stop the rain from fallin?
I know that your watching
Watching over me
And angels I-I believe

(Chours)
Angels, can you hear me callin?

Angels, can you stop the rain from fallin?
I know that your watching
Watching over me
And angels I-

I believe
I believe
I believe

And angels I- I believe

I can feel you watching over me
I can feel you watching over me
I can feel you watching over me

Over me

Angels
Angels
Angels

And angels I- I believe
