Neon lights, hooker and whore
Filth from the valley to the shore

[Chorus]
Can't stand it! watch your back
Home invasion and i've been jacked
Can't stand it! guns pointed my way
Dead body in your driveway

There's no ditching this is LA drag
It's all empty bags and back-end slags
So we commit our "A" set crimes
As we overdose on time.

So countdown...

Can't stand it! living dime to dime
Kill our minds constant comedown time
Can't stand it! stuck in the city of angels
In a mental jail cell

Dead ends and Debauchery

This is Dead Ends

All the vaseline queens look so pretty
Blending in with the sin in the city
Selling buff muff across from the Del
Living in a postcard a sunny Californian hell

Can't stand it! Dead end highway
Dead Body in your driveway
Can't stand it! can't you see? this city be the death of
me!
