Going no where fast
It never seemed so easy to me
This doesn't last, but that's okay
I've got tomorrow and the next day
Voices in the crowd
Never felt like freedom to me
They can say what they want
And that's okay
I'm gonna say what I want to say
Say what I want to say

Don't push me
You can't move me
I'm holding on to the way that I've gotta be
Nothing more to say, but respect me
I know, you know, oh
Don't push me

You can save your breath
Cause your words mean nothing to me
I used to think you were everything
But now you've changed
I'm gonna say what I wanna say
Say what I wanna say
Say what I wanna say

Don't push me
You can't move me
I'm holding on to the way that I've gotta be

Nothing more to say, but respect me
I know, you know, oh
Don't push me [2x]

You're crazy
Think you can change me
So let go, go, go
This is me

Don't push me
You can't move me
I'm holding on to the way that I've gotta be

[3x]

You can't move me
I'm holding on, yeah
I Know, you know, oh
Don't push me

Don't push me
You can't move me
I'm holding on to the way that I've gotta be
Nothing more to say, but respect me
I know, you know, oh
Don't push me
Don't, don't push me
