Lie...

Lie...

Lie...

I'll pretend that I got over it when I know its a lie

7 30, bright and early

Who would ever thought i'd be hurting

Hadn't seen who, Believe that i've seen you come  
home

First i'll calm myself

Wait a minite

Calm youself down

And give him the benifit of the doubt

And thats when he showed out

He was

Holding and kissing

Smiling and whispering

Sweet nothings in her ear

Yeah yeah

He looks so in love

Like he loved her most of all

And right then I closed my eyes

To pretend like i didn't see that girl within your grip

When i knew that I did

I'll pretend it didn't hurt me

I didn't cry

That I got over it

When I know its a lie

Lie

Lie

Lie

I'll pretend that I got over it when I know its a lie

My head told me you were worth it.

My heart told me you deserved it

It's all good oh

But i cant let you go

Cause I kept thinking back in the times when we were  
so in love

When no one could break us up

Where did we go wrong?

You were  
Holding and kissing  
Smiling and whispering  
Sweet nothings in her ear  
Yeah yeah, yeah yeah  
He looks so in love  
Like he loved her most of all  
Right then I closed my eyes

Pretend like il didn't see that girl within your grip  
When i knew that i did  
I'll pretend it didn't hurt me  
I didn't cry  
That i got over it  
When i know its a lie  
Lie  
Lie  
Lie  
I'll pretend that I got over it when I know its a lie

I'm gunna lie to myself right now  
Aint got to no time to figure out what  
Might be going out in the middle of the night  
To break my heart  
And im not ready to fight that fight  
I'll still cant forget but im gunna try  
So when he comes around  
Im gunna love him a little more

To pretend like, yeah yeah yeah.  
When i know that i did  
I'll pretend it didn't hurt me  
I didn't cry  
That i got over it  
When I know its a lie  
Lie  
La-lie  
La-lie  
La-lie  
La-lie  
La-lie  
La-lie  
La-lie

La-lie  
La-lie  
La-lie  
La-lie  
I'll pretend that I got over it when I know its a lie

Ohhh, ohh, ohh whoa.  
Ohh, ohh whoaa yeah, yeah  
I'll pretend
