No more empty cries
No more fucking lies
No more stupid ties
NO!
No more polotics
No more to clasify
No more and justify
NO!
Scream and fucking yell
But we wont listen anyway
We ain't your fucking sheep
We won't be led astray
???
Can't you see the world
Ain't fucking back and white
No more nazi shit
No more won't tolerate it
No more breeding hatred
NO!
No more ??? fucks
No more the change of day
No more its all a dream
NO!
Live your fucking life
Dont give into their hate
Live your fucking life
Determine your own fate
Live your fucking life
Our minds won't be polluted
Live your fucking life
Our dreams won't be diluted
No more propaganda!
No more propaganda!
Scream and fucking yell
But we wont listen anyway
We aint your fucking sheep
We wont be led astray
Take your fucking polotics
And shove 'em up your ass
Your propaganda shit
Ain't gonna fucking last
