They'll tell you like they told me
There's only one way to be in the fucked up society
They'll tell you like they told me
To get a job and cut your hair or you ain't going
anywhere

[Chorus:]
But it's your life your views
It's your life to choose

They'll tell you like they told me
Shut up cause you're young and you don't know
anything
They'll tell you like they told me
Tell them to kiss your ass cause it's your life you gotta
lead

They'll tell you like you'll tell them
You won't be a part of their social competition
They'll tell you like you'll tell them
Destroy Destroy Destroy, their boring lives of repetition
