Innumerable offers presented by the web  
Made two twisted minds choose to take  
Their final step  
Two psychos, plotting and planning  
To shock the world beyond belief

[Chorus]

To be, cooked and boiled  
To be, cut and chopped  
To be, hacked and slain  
To be eaten in sane

Free cannibalism in this free world  
It's my body, it's my right

[Repeat chorus x2]

I want to be eaten Eat all my limbs  
But don't let me die before

I want to see you consuming me

Grant me my final sick twisted orgasm  
I want to scream and bleed  
Let me accompany you with eating my phallus  
My own dick in my mouth would be a great  
Last taste, before I reach my eternal chasm

[Repeat chorus X2]

I want to bleed, and be, CONSUMED
