Visit "[Incarcerated](#)" on MotoLyrics.com

[Pre Chorus]

Now put away for life
Locked up like a dog
Used and abused
Isolation cuts like sharp knives

[Chorus]

Incarcerated
Couldn't live up to society's standards
Incarcerated
Forever farewell to life as you knew it

[Repeat pre chorus]

[Repeat chorus]

Undescribable torture

Reigns inside these walls of hell
Shining convicts eyes
Now dim forever
Shining convicts eyes
Now dim forever

[Repeat pre chorus]

[Repeat chorus]
