I came home last night, drunk and tired
And all I could think of was you inside my heart
And I know your pushing away

I get it wrong sometimes but I observe you
And don't you just want me the way I just want you
And I know your pushing away

I'm not sure that I understand
But as sure as I'm a man
I will fail

I try to call you but your not taking
Any message from a heart that's slowly breaking
And I know I messed it up good

N I wanted to tell you, how I adore you
And show I'm changing for the better baby please I
implore you
Remember all of things that you said that you loved

I'm not sure that I understand
But as sure as I'm a man
I will fail

I'm not sure that I understand
But as sure as I'm a man I will fall for you, and try to
work it through
And clumsily dive into your smile That 'ill bring me to,
realise why I I, I cant let go.
And now the night sky fills my vision
I'm reaching out but I know Ive got the wrong rhythm
Now nothing really matters without you

I make my wishes as the stars are falling
And I try to save them but my pockets are overflowing
Inst it time I could trade them all in

I'm not sure that I understand
But as sure as I'm a man
I will fail

I'm not sure that I understand
But as sure as I'm a man
I will fail

I'm not sure that I understand
But as sure as I'm a man
I will fail

I'm not sure that I understand

I'm not sure that I understand
