Hold me now
'cause all I want is you
Hold me now
Say you want me too

Take my hand
And lead me to a fairy land
Where I can feel
That love is real
I'll make you understand

Dance with me
Close to you is where I wanna be
All through the night
Let's do it right
You gotto know that you are free to

Hold me now
'cause all I want is you
Hold me now
Say you want me too

Don't let go
You just have to come and show
Tenderness
A lovin' kiss
Now it's time to let me know

Feel my heart
Beating for you from the start
Touch me there
Make a pair
Say we'll never ever be apart again

Hold me now
'cause all I want is you
Hold me now
Say you want me too

You gotto know
That you are free
Free to hold me now
