Walk, walk
Slip up, messed up
One, two, three
Some examples
His mind is small
His motives crooked
Cave his head, too bloody stupid
Not just dumb that he said

Walk, walk
Wake up, wake up
One One Slip up Slip Up
Gravity will just take it from you with it
Don't pretend to comprehend that much
From this point I'll say it exactly

These backwards spineless selfish swine
They come between us every time

Walk, walk
Pop like that
They always pop like that
One, two, three
These examples
His mind is small
His motives crooked
Cave his head too bloody stupid
Cave his head just too bloody stupid

These backwards spineless selfish swine
They come between us every time

Walk, walk
Pop like that, pop like that

These backwards spineless selfish swine
They come between us every time

Walk
