Bring me back to the days
When everything made sense to me
Together we could move the mountains
And watch them fall into the sea
Times have changed now that I'm older
Where did I go wrong?
Life was beautiful when we got along

But I'm not giving up on this
We've come too far
Just to throw all we have into the wind
So many times I have given up on you
Will you take me back?
You can count on me

I'll take this stand tonight
I'll never leave your side
You will have all of me

I'll take this stand tonight
I'll never leave your side
You will have all of me

And I'm not giving up on this
We've come too far
Just to throw all we have into the wind
So many times I have given up on you
Will you take me back?
You can count on me

You have my word
I will never look away
So many times I have given up on you
And you never looked away
I need you more than words can say
One life one chance
Don't take this for granted
We can move the mountains
We can move the mountains

One life one chance

Don't take this for granted
We will move the mountains and watch them fall in the
sea

"He said to them, "Because of your little faith. For truly,
I say to you, if you have faith like a grain of mustard
seed,
you will say to this mountain, 'Move from here to there,'
and it will move, and nothing will be impossible for
you" Matthew 17:20
