Everything that I despise  
Consumes me when I close my eyes.  
I don't know if I can change the way I feel.  
Despite the light that you have shone  
The dark has become what I know.  
I am fighting to find my way out of it

I am trying so hard to forget  
This constant aching feeling that stirs inside my chest.  
The fear in me always drags me down.  
The guilt I feel will not let me get up again; I am  
crushed by the weight.

I was younger then; careless and innocent.  
I never thought my words could mean so much  
I am older now; I should be screaming out.  
So why is it that I keep my mouth shut?

Why do I try so hard to forget  
The forgiveness that is in your hands, and the mercy in  
your words?  
You are calling me to seek You and find rest  
And leave behind the emptiness that holds me in the  
dark;  
That holds me in the dark

I hope you can hear me...  
I'll keep singing this song  
Even if there's no air left and dirt fills up these lungs

Please keep the lights on  
I'm trying to make it home  
The sun is sinking  
But I won't go down with it.
