We'll scream it loud
This is a melody, it's time to sing it out
So give us words before we all forget

This is where I lift my hands and say enough is enough
So many people are broken and they're not getting up
This is our offering, this is our hope
This is what we believe in and we're not giving up

This is our song
So sing out loud a chorus for us
It's all too much
I can feel my lungs collapse on me

Bitter soul, why are you weeping
Tears that fall only for you?

This is our song
So sing out loud a chorus for us
It's all too much
I can feel my lungs collapse on me

This is my worship, this is my life
To bring hope into this broken world
This is my worship, this is my life
To bring hope into this broken world

This is my worship, this is my life
To bring hope into this broken world
This is my worship, this is my life
To bring hope into this broken world
This is my worship, this is our worship

This is our song
We'll scream it loud
So sing out loud a chorus for us
It's all too much
I can feel my lungs collapse on me
