I am trying to realize
I can do nothing on my own
Everything that I start to build, crumbles
Into nothing
It's safe to say that no matter what,
I try and fall so short
This unrelenting break, continues to widen the space
Between you and I!

Chorus:

Is there any point in trying to change?
No matter what I do, It always stays the same
But I feel like this has been made for me
Is there something more that I can say?

All I want, is to let go
I've tried so hard, this pride still grows
Just for once to breathe in deep
And can't juggle after what you say at me
So many years of sorrow and gray
The bitterness I taste is things left to fray
How can I forget the joy of the mountaintops?
Down in the valleys!

Chorus:

Is there any point in trying to change?
No matter what I do, It always stays the same
But I feel like this has been made for me

Is there something more that I can say?

But your ways are different and call out to me
No matter what I do, you always stay the same
And I will have the choice to say,

There is more to this life I'm living
There is more
There is more

And during the mess of struggles, I'm finding the man
You've combed me to be
Your love reminds me

That though I am broken
I am still standing, I'm still screaming!

Chorus:

Is there any point in trying to change?
No matter what I do, It always stays the same
And I will have the choice to say,

There is more to this life I'm living
There is more to this life I'm living
There is more to this life I'm living
