Excuse me, Mr.
Do you have the time?
Or are you so important
That it stands still for you?

Excuse me, Mr.
Won't you lend me your ear?
Or are you not only blind
But do you not hear?

Excuse me, Mr.
But isn't that your oil in the sea?
And the pollution in the air, Mr.
Whose could that be?

So excuse me, Mr.
But I'm a mister too
And you're givin' Mr. a bad name
Mr. like you

Now I'm taking the Mr.
From out in front of your name
'Cause it's a Mr. like you
Puts the rest of us to shame
It's a Mr. like you
Putting the rest of us to shame

I've seen enough
Oh, I have seen enough
I've seen enough to know
I have seen too much

Excuse me, Mr.
Can't you see the children dying?
Say that you can't help them
Mr. you're not even trying

Excuse me, Mr.
Won't you take a look around?
Mr. just look up
And you will see what's comin' down

Excuse me, Mr.
But I'm a mister too
And you're givin' Mr. a bad name
Mr. like you

Now I'm taking the Mr.
From out in front of your name
'Cause it's Mr. like you
Puts the rest of us to shame
It's a Mr. like you
Putting the rest of us to shame

And I have seen enough
I've seen that I've seen it
I've seen enough to know
That I have seen too much

I've seen enough, alright
I've seen enough to know
I have seen too much

'Cause Mr. when you're rattlin'
On Heaven's gate
By then it is too late

'Cause Mr. when you get there
They don't ask what you saved
All they'll wanna know, Mr.
Is what you gave

So excuse me, Mr.
But I'm a mister too
You're givin' Mr. a bad name
Mr. like you

Mr. from out in front of your name
'Cause it's a Mr. like you
Puts the rest of us to shame
Mr. like you
Putting the rest of us

Lord, it's a shame
Oh, it's a shame, shame, shame, shame
Oh Lord
