It's late and I can't sleep, I've made promises that I
can't keep

Cobblestones and broken bones
Has a kingdom but he's got no home
Last night is still ringin' in my head
Like that lonesome whistle in the rain

Lord, I'm a fool for a lonesome train
Oh, I'm a fool for a lonesome train

The lifetimes we've left behind with strangers
Promises and lies, both have their dangers
Now I just can't be wrong enough
And I can't hide for long enough

So far away but I still feel your pain

Lord, I'm a fool for a lonesome train
Lord, I'm a fool for a lonesome train
I try to say goodbye but I never got your name
Whoa, I'm a fool for a lonesome train

Lord, I'm a fool for a lonesome train
I'm your fool for a long summer rain
I know it sounds crazy but I'm painfully shamed
Whoa, I'm your fool for a lonesome, oh a lonesome,
lonesome train
