I am more afraid of living  
Than I am scared to die  
I am more afraid of falling  
Than I am of flying high

But every moral has a story  
And every story has an end  
Every battle has its glory  
And its consequence

I am more afraid of loving  
More than I am of being scorned  
Oh, but I will keep on trying  
Though I've been forewarned

But every moral has a story  
And every story has an end  
Every battle, every battle has its glory  
And its consequence  
And its consequence

I would rather, I would rather me be lonely  
And you have someone to hold  
I'm not as scared of dying  
As I am of growing old, growing old  
Oh, growing, oh, growing, oh, growing old
