Now I've heard all of your parting lines
Can only say goodbye so many times
Before you know you have nothing to show
For your pain

Sorry is a word you just can't seem to find
Does it ever enter your mind?
But I am in doubt, you are about to change

Now if your heart, if your heart isn't in it
If your heart, if your heart isn't in it
If your heart, if your heart isn't in it

If you have nothing left to give
Whoa, just let me live
Live again, live again, again

You can't just say I love you
You have to live I love you
But I will forgive every time
But the, oh but the last

So if your heart, if your heart isn't in it
If your heart, if your heart isn't in it
If your heart, if your heart isn't in it

If you have nothing left to give, give

Oh, won't you just go on and let me live?
I wish I could find the way to sing the life
Whoa, to sing the life back into you and I
But now I, I am afraid that it is just too late to lie

Now if your heart, if your heart isn't in it
Oh, if your heart isn't in it
If your heart, if your heart isn't in it

If you have nothing left to give
Won't you go on and let me live?

Oh, if your heart, if your heart isn't in it
If your heart, if your heart isn't, isn't in it

If your heart, if your heart isn't in it

There's nothing left to give
Won't you let me live?

If your, if your heart, if your heart isn't in it, in it
Your heart, your heart in it
Your heart, your heart in it
Your heart, your heart in it
Your heart, your heart in it
