You feel like a beggar, make me feel like a thief
Make me feel like a battle that cannot end in peace
Make me feel like running as if I've lost my nerve
Make me feel like crying tears I don't deserve

Please bleed so I know that you are real
So I know that you can feel the damage that you've
done
Oh, who have I become?
To myself, I am numb, I am numb, I am numb

Is this really living? Sometimes it's hard to tell
Or is this just a kind a gentler hell
Turn out the lights and let me stare into your soul
I was born and bled for you to hold

Please bleed, so I know that you are real
So I know that you can feel the damage that you've
done
Oh, who have I become
To myself, I am numb, I am numb, I am numb

Never said thank you, never said please
Never gave reason to believe
So as it stands, I remain on my knees
Good lovers make great enemies

Please bleed, so I know that you are real
So I know that you can feel the damage that you've
done
Oh, who have I become
To myself, I am numb, I am numb, I am numb

Please bleed, so I know that you are real
So I know that you could feel the damage that you've
done
Oh, what have I become
To myself, I am numb, I am numb, I am numb

Please bleed, so I know that you are real
So I know that you can feel the damage that you've
done

Who have I become?
To myself, I am numb, I am numb, I am numb
I am numb, I am numb
