It will make a weak man mighty, it will make a mighty
man fall

It will fill your heart and hands or leave you with
nothing at all

It's the eyes for the blind and legs for the lame

It is love for hate and pride for shame

Now that's the power of the gospel

That's the power of the gospel

That's the power of the mighty power

That's the power of the gospel, yeah

That's the power of the gospel

Gospel on the water, gospel on the land

The gospel in every woman and the gospel in every
man

Gospel in the garden, gospel in the trees

The gospel that's inside of you, the gospel inside of me

Now that's the power of the gospel

That's the power of the gospel

That's the power of the mighty power

That's the power of the gospel, yeah

That's the power of

In the hour of richness, in the hour of need

For all of creation comes from the gospel seed

Now you may leave tomorrow and you may leave today

But you've got to have, got to have the gospel

When you start out on your way

Now that's the power of the gospel

That's the power of the gospel

That's the power of the mighty, mighty power

That's the power of the gospel, yeah

That's the power of the gospel in side of you and inside
of me

The power, the mighty power of the gospel

Yeah, and that's the power of the gospel
