Baby say it's all right if it takes all night
We won't have to be alone if you say you will

Donna, won't you say you will?
Donna, won't you say that you will?

Like Marie Antoinette said to Louis XVI
Man, I think we're goin' down
Our chances are slim and none
And I'm afraid slim just left town

Say you will
Donna, won't you say you will?
Donna, won't you say you will?

Darlin', won't you say you will?
Donna, won't you say you will?
Donna, won't you say that you will?

Now you've had me hanging all on your line
But I know all too well
Love ain't nothin' but a worried mind

Now say you will
Donna, won't you say you will?
Oh, won't you say that you will?

Donna, won't you say you will?
Oh, won't you say you will?
Oh, say you will
Say, say, say, say, say, say you will
Say it, won't you say you will?
Say it, oh say you will
Say it, oh say you will
Say it, say it, say you will

Well, I love you like a candle loves a flame
And like a crying man that has no shame
When you hit me I feel no pain
Like the last days that remain

Say you will

Donna, won't you say that you will?
Donna, won't you say that you will?

Donna, won't you say you will?
Oh, say you will
Donna, won't you say that you will?
Oh, say you will, say you will, say you will, yeah

Oh, tell me, tell me that you will
(Say you will, say you will, say you will)
Please, say you will
Oh, you will, oh, I know, I know
I know you will, I know you will, oh you will
(Say you will, say you will, say you will)
