Ooh baby, now let's get down tonight
Baby, I'm hot just like your oven, oh I need some lovin'
And baby, I can't hold it much longer, no
It's getting too stronger and stronger

And when I get that feeling, I need sexual healing
Sexual healing, it makes me feel so fine
It helps to relieve the mind, sexual healing is good for
me
Sexual healing is something that is so very good for
me

Whenever these blue tear drops are falling, oh no
And my emotional stability is leaving me
But there is something I can do
Or I can get on the telephone or call you up baby

Darling, I know you'll be there to relieve me
The love you give to me will free me
So if you don't know the things you're dealing
Oh I can tell you, darling, oh it's sexual healing

Get up, get up, get up, get up
Let's make love tonight
Wake up, wake up, wake up, wake up
'Cos you do it right

Heal me my darling
Heal me my darling
Heal me my darling
Heal me my darling

Baby, you know I got sick this morning
A sea was storming up inside of me
Baby, I think I'm capsizing
All the waves are rising

And when I get that feeling, I want sexual healing
Sexual healing, it makes me feel so fine, it's such a
rush
It helps to relieve the mind, Lord, it's good for us
Sexual healing is good for me

Sexual healing is something so, so good for me
Oh it's good for us, oh it's so good to me, my baby

Just grab a hold, come take control
Of my body and mind, soon we'll be making love,
honey
[Incomprehensible]
You're my medicine, open up and let me in
Oh darling, darling you're so great, I can't wait for you
to operate

I can't wait for you to operate
I can't wait for you to operate
Can't wait for you to heal me, my darling

Heal me my darling, heal me my darling
I can't wait for you to
Oh baby, whenever these blue tear drops are falling
You know I come calling, heal me my darling
