Oh, no, here comes that sun again  
That means another day without you, my friend  
And it hurts me to look into the mirror at myself  
And it hurts even more to have to be with somebody  
else

And it's so hard to do and so easy to say  
But sometimes, sometimes  
You have to walk away, walk away

With so many people to love in my life  
Tell me why do I worry about one?  
But you put the happy in my nest  
You put the good times into my fun

And it's so hard to do and so easy to say  
But sometimes, sometimes  
You have to walk away, walk away  
Turn and head for the door

We've tried the goodbyes so many days  
We walk in the same direction  
So that we would never stray

They say if you love somebody  
Then you have got to set them free  
But I would rather be locked to you  
Than live in this pain and misery

An' they say that time will make all this go away  
But it's time that has taken my tomorrows  
And turned them into yesterdays  
And once again, that rising sun is droppin' on down  
And once again, you, my friend are nowhere to be  
found

And it's so hard to do and so easy to say  
But sometimes, sometimes  
You have to walk away, walk away  
You just walk away, turn and head for the door and  
walk away

Just walk away  
You just walk on, walk on  
Turn and head for the door  
You just walk away
