You make me sick
You fuckin' bitch
You broke my heart
And gone so far
You ain't worth shit
You cheatin' bitch
You know who you are

Can't stand the west coast
So she had to leave
I packed her bags
She moved to n-y-c
It wasn't cali livin'
Everything was a given
Wanted money, fast cars
And kristal sippin
I ain't about that
All i got is my music
It was loud n' clear
This bitch was abusive
Put up with her shit
The cheatin and lyin'
If not for l-o-v-e
I wouldn't be tryin'
Hate the late night clubbin'
Alcohol consumption
If it wasn't one thing
It was always somethin
She loves that attention
And did i mention
That i paid for her car
And the room
That we lived in
That wasn't even
Enough for you
Was it delilah
Don't even know
You did me wrong
Let me remind ya
Left me here
For a life
That's better

I'll be
Chillin in Cali
You rot
In New York weather

You make me sick
You fuckin' bitch
You broke my heart
And gone so far

You ain't worth shit
You cheatin' bitch
You know who you are

Call her Delilah
More like the liar
Cause the truth
Never seemed
To come out her mouth
She got around town
That didn't stop me
I've made mistakes
And this one cost me
Lookin out for dimes
She shined bright
I picked her up tails
That's bad luck as hell
Can't stop the hate
1000 miles apart
Hope this song reminds
How fucked up you are
How messed up
It is that you
Left me here
For 2 years
For ya dead end career
Not even worth this track
But it had to be said
What i thought was good
Was bad in the end
It was only a game
That i didn't wanna play
All i got in the end
Was a song with ya name
I know it's done
We'll never feel the same
But when it comes to us
You're the one to blame

You make me sick you
Fuckin' bitch

You broke my heart
And gone so far
You ain't worth
Shit you cheatin' bitch
You know who you are

Hey Delilah
Fuck you Delilah
