

Closer 2 Closure "Rhyme Or Reason"

Visit "[Rhyme Or Reason](#)" on MotoLyrics.com

What am I fighting for?
Gave up on living life.
The sight of anything unfamiliar makes me shake.
Drove myself crazy.
When I'm on my own, can I guess where you are, my
shooting star?
Turned my back thus far, handling words.
Miss the way to your heart can be more than the way we
are meant to be.

Give me rhyme or reason, Imma choose the rhyme.
Take these rusty dumb thoughts, you make 'em shine.
I give you my ten cents you give me your two.
When I block my ears off I won't hear you.
Give me a couple of tries to live this life right.
I'm bobbin' and weavin' to make it out alright.
Find time to complain so look me dead in the eye,
realize that I was wrong
All along.
Your love makes me stronger.

I try so hard to live without you.
I fall short, fall short of your grace.
I try so hard to get back to you.
My mouths a witness, my mouths a witness it goes pfft
ti pshh pfft tu pssh
Pfft ti ti pfta pfta~! pssh.
My mouths a witness, so when I spit this it goes pfft ti
pshh pfft tu pssh
Pfft ti ti pfta pfta~! pssh.

Can I get a witness, look at the ears my testimony is my
life.
I stumble the years and I was so lost.
God forgive me, you commend me for all my wrongs.
I-I'm in debt to you, for the blood you spilt.
It's who I killed you loved me still, you loved me still.

Oh, so please forgive me, oh God please heal me.
My minds a weapon, confined between you and me in
Heaven.
My resurrections coming, 3, 2, 1...

Times running out, faithfulness is on the down and out.
So please forgive me, God please heal me.
With you is where I'll be, yeah.

I try so hard to live without you.
I fall short, fall short of your grace.
I try so hard to get back to you.
My mouths a witness, my mouths a witness it goes pfft
ti pshh pfft tu pssh
Pfft ti ti pfta pfta~! pssh.
My mouths a witness, so when I spit this it goes pfft ti
pshh pfft tu pssh
Pfft ti ti pfta pfta~! pssh.
My mouths a witness, my mouths a witness it goes pfft
ti pshh pfft tu pssh
Pfft ti ti pfta pfta~! pssh.
My mouths a witness, so when I spit this it goes pfft ti
pshh pfft tu pssh
Pfft ti ti pfta pfta~! pssh.
